

# PARENT MENTOR

THANK YOU parent leader for taking time to make a positive connection with another parent. Being a PARENT MENTOR is greatly appreciated. Please take time to get to know your new parent friend and don't forget to ask them to meet you at the next Parent Coalition Meeting.

Please introduce me to your parent friend. Much appreciated if you would introduce your new parent friend at the beginning of the next parent meeting. Thank you for making a difference!

Sincerely, *Jonathan*

*PLEASE complete the below JOIN US CARD and give to me anytime before our next parent meeting.*
